WWW.LUXURYHOMES.IT

The property, is developed in a small condominium context and presents an interior area of 90 square meters over the common courtyard so arranged: entrance, living room with open kitchen, panoramic terrace facing east front on the spectacular coast, master bathroom, service bathroom, three bedrooms. Outside you can see a large communal courtyard with assigned parking space. The property is in excellent condition outside and inside with excellent finishes and furniture quality.

*It is delivered fully furnished and with air conditioners.
The road that leads to the property communicates with the provincial road of Ravello in the lower area and a few meters you can admire the ancient and famous villas of the country: Villa Cimbrone and Villa Rufolo.*

In a wonderful panoramic position, perched on a rocky spur of the Lattari Mountains that divides the valley of the Dragon from those of the Reghinna, rises Ravello, universally recognized as the city of music.

Its wide view over the gulf, its natural and artistic beauties, its atmosphere so particular composed of peace and silence, the dazzling vision of its gardens and that almost fairy-tale of its panoramic views, make it a place of stay unforgettable, an oasis of contaminating tranquility.

Evocative and phenomenal turns out to be the spectacular balcony of the country from which you can enjoy one unique scenery in the world, musicians, artists and writers, including Ruskin, Mirò, Echer, Gide, Lawrence, Turner drew inspiration for his works.

The musician R. Wagner imagined the fairytale garden of Klingsor in the park of Villa Rufolo. of his masterpiece, Parsifal.

The town is full of small houses, twisted alleys, villas and churches with beautiful mosaics. which testify to the strong Byzantine and Arabic influence, and retains its medieval appearance that assigns to this place an esoteric context of art all to admire.

Price: € 650.000 negotiable
